Musical Education. A Unique Project That Interests All Parents. PIANOS FURNISHED FREE

\$165 buys fine upright plane with stool and searf. Schulert & Moxter, 2012 Franklin ave.

TO CHILDREN LEARNING MUSIC BY F. G. SMITH, MGR. OF BRAD-BURY PIANOS,

1012 OLIVE ST.

A. E. WHITAKER, Manager. Mr. F. G. Smith, who for more than a quarter of a century has been one of the leading champions of musical education for the young, a new putting into practice a project of vast hierast to parents who desire their children to have the advantages of a musical education. if are deprived of the privings on account of having a piano in the house of the including a piano in the house of the priving a piano in the live at the priving a piano at their warerooms, 1012 live st. A. E. Whitaker, Mgr., will deliver at our home a good, serviceable square plano, out how are privileged to use six months tee-paying only a shight charge for the accuration of drayange. There are no conditions or entrielloss attached to this offer, which has or its sole object the musical advancement of hidden whose musical education is necessarily the state of the conditions of the sole object the musical advancement of hidden whose musical education is necessarily and the sole of the conditions of the sole of the conditions of the conditions of the sole of the conditions of lege on account of its sole object the musical advancement of them whose musical education is necessarily nicros by their not having proper facilities practice at home. The company does not nich instructions free, but will, upon applicable, formish the names of competent teachwho will call at your residence and give children instructions at very reasonable at This, of course, is entirely optional. You we may whom you picase to teach your dress. This, of course, is entirely optional. You we may whom you picase to teach your dress. The company will furnish the plane for six months, and if you desire to keep plants longer—you may do so by paying a nimit rental for it. This is also optional a you. Some parents have expressed a neary about accepting the use of a piano nothing—but there are form of these aquarrons, where they are doing nobedy good, and might as well get the use of them. It is hope of the company that after you have benefit of a piano in your bouse you will reciate what a grand thing it is to own—some day that you will perhaps buy an runsint, and when you do you will think orably of buying it of this company.
